

Want to grow your own food but need some advice and access to expertise? Want to make the most of limited growing space? This workshop is for you!

**Triangle Garden
food growing workshops:
'Planning your
veg plot'
Saturday 25 Sept**

10am-1pm at Ransom's Pavilion and outdoors at the Triangle Garden allotment. £25 per person

Book now at our earlybird rate* of £20.

*available until 28th August 2010

Meet at Ransom's Pavilion, Alexandra Road, Hitchin SG5 1RB

Experienced allotmenteer and horticulturist Ashley Walker will be exploring different ways to plan your allotment or veg plot to maximise production and minimise effort and cost. Topics covered will include soil health, rotation, different requirements of different vegetables and how to plant in succession to achieve a continuously productive plot and avoid everything being ready to harvest when you're about to go on holiday.

Tell us what you want to grow and we'll show you how!
