

# Triangle Community Garden

## Mini-beast spotter's checklist

See how many insects and invertebrates you can spot: don't forget to look for caterpillars and nymphs as well as adult butterflies and damselflies.

Record the dates of your visits in these columns →							
<b>Butterflies</b>							
Red admiral							
Brimstone							
Peacock							
Holly Blue							
Small Tortoiseshell							
Large white							
Small white							
Orange tip							
<b>In the pond</b>
