Mosaic Renovation July 09

On a sunny summer day in late July Sandra, Fiona and Rosie organized a session in the garden to renovate the mosaic panel in the centre of the Triangle Community Garden. Several volunteers who live locally joined us. Please take a look at the photographs.

The Mosaic was originally created from a design by Christian Hurd, age 11, who was the winner of a competition held in the local junior and infant schools in 2002.

The circle has suffered from the weather and much of the grouting had come loose weakening the tiling and breaking up the design.

Once we had cleared away the damaged surface and started to set the new pieces of tile it was a rewarding task. You have to agree the finished design, slightly modified from the original, looks brilliant!

In 2010 we plan to create a mosaic trail in the garden with sculptures and stepping-stones covered with mosaic. If you would like to help please get in touch with Rosie 01462 435316.
